13TH AUSTRALIA & NEW ZEALAND YOUNG GEOTECHNICAL PROFESSIONALS CONFERENCE

21–24 JULY 2020 CAIRNS

SPONSORSHIP PROSPECTUS

The Australian Geomechanics Society and the New Zealand Geotechnical Society invite you to attend the 13th Young Geotechnical Professionals Conference (13YGPC Cairns)

Held every 2 years, the Young Geotechnical Professional Conference (YGPC) events are unique 3 day conferences facilitated by a joint initiative of the Australian Geomechanics Society (AGS) and New Zealand Geotechnical Society (NZGS).

The aim of the 13YGPC conference is to provide younger professionals within the ANZ geomechanics industry experience in technical paper preparation and conference presentation. Each delegate prepares a technical paper and then presents their peer-reviewed paper to both their conference colleagues and senior industry professionals that are invited to attend in a mentoring capacity.

YGPC events also include a field trip into the surrounding regions, where delegates visit current projects or sites of geotechnical / geological interest. Along with a number of social events to encourage interaction between the delegates, the 13YGPC will provide an enjoyable and informative event aimed at the development of future leaders in the geotechnical profession.

The conference attracts delegates from across Australia and New Zealand from consulting and contracting firms, industry bodies and research institutions, showcasing the diverse range of projects and products in the geomechanics field.

The aims of the YGPC conferences are to:

- Promote the professional development of delegates through sharing experience and ideas, and by all delegates presenting a paper to both senior professionals and peers;
- Expand and strengthen the lines of communications across Australia and New Zealand between young professionals within the field of geomechanics;
- Promote an enhanced perspective of the varied roles, responsibilities and opportunities encompassed by the geotechnical profession; and
- Encourage the exchange of knowledge between consultants, research institutions, contractors and industry associated with the geotechnical industry.

13YGPC offers you a range of sponsorship opportunities to suit your budget which are detailed in the table below.

The 13YGPC is committed to providing optimum exposure for all sponsors. Additional opportunities may be available and we are willing to tailor a package to meet your specific business goals. We encourage organisations to contact the Conference Committee to discuss opportunities that are not included in this brochure.

Morning		Session	Session	Field Trip
Afternoon		Session	Session	Field Trip
Evening	Welcome Drinks	Conference Dinner	Conference Banquet	

Attendance

The conference is limited to 50 delegates who are chosen based on abstract submission. Mentors and the organising committee are additional to this number.

Terms and Conditions

Booking and Payment

Gold, silver and bronze sponsorship packages will be allocated only on receipt of a signed booking form. Packages will be allocated on a 'first come, first served' basis except where multiple sponsorship applications are received on the same day for the same sponsorship package. If this oversubscription occurs we will contact the sponsors to resolve the allocation.

Tender for the platinum package from interested organisations may be directed to the AGS Secretariat prior to 27 September 2019.

Cancellation Policy

If notification of cancellation of sponsorship is received in writing:

- from 2 December 2019, you are liable for 50% of the package selected;
- from 20 March 2020, you are liable for 100% of the package selected.

The Organising Committee reserves the right to cancel the Conference not later than 2 December 2019 in case of circumstances beyond its control. In such a case all monies paid to date will be refunded in full less any expenses incurred.
