

# AGS Townsville Symposium 2026

## Call for Sponsors

Wednesday 24 June 2026

The Science Place  
Building 142, James Cook Dr, Douglas QLD 4814

**AUSTRALIAN  
GEOMECHANICS  
SOCIETY**

**The AGS Queensland Chapter invite you to sponsor the 2026 Townsville Symposium to be held on Wednesday 24 June 2026 with the theme “Resilience: Geotechnical engineering for extreme events.”**

The symposium is the third biennial regional symposium in North Queensland, and forms part of the continuing program of events organised by the Queensland Chapter of the AGS.

### Sponsorship

To sponsor the symposium, please visit: <https://geomechanics.org.au/tsv-sponsorship/>
