

AGS VICTORIA CHAPTER SYMPOSIUM 2026

Victoria's Big Build: Level Crossing Removal Program

Sponsorship Opportunities

**AUSTRALIAN
GEOMECHANICS
SOCIETY**

The Australian Geomechanics Society (AGS) Victoria Chapter is holding its annual Symposium on Tuesday 13 October 2026, on Victoria's Big Build: Level Crossing Removal Program.

The Symposium aims to accelerate knowledge-sharing across the broader geomechanically community and provide practical insights to inform future complex transport projects in Victoria and beyond.

Sponsorship

To sponsor the symposium, please visit:

<https://geomechanics.org.au/product/2026-victoria-symposium-sponsorship/>
